

City Tap House's philosophy on craft beer is clear.

Let it be at the heart of what we offer our valued guests.

Let our list be approachable, unpretentious and community-driven.

Let the bar and the kitchen challenge and elevate each other.

Let a walk through our door bring with it discovery and good times, shared with good people.

Welcome. We're happy to share our craft with you.

Our list is organized by style, and within that style from lightest in body to heaviest, which often but not always corresponds with ABV. It's purely subjective, so feel free to disagree.

Pricing has been determined by ounce. Items with an asterisk are 10oz pours, which may be due to alcohol content, style or rarity. Otherwise pricing is for a 16oz shaker or 5oz sampler.
